IN REPLY REFER TO

Op-35C
Ser 91P35

29 DEC 1965

Dear Admiral Raborn:

STAT The Department of Defense Computer Institute (DODCI) requests approval for [redacted] Senior Staff Officer of your organization, to participate as a guest lecturer at the DODCI Intermediate Course, which is described in the attached brochure.

To provide a comprehensive overview of operational computer applications the DODCI utilizes, as guest lecturers, those executives of stature from government and industry who can make a significant contribution to DODCI courses. In view of [redacted] background and STAT experience in developing a data storage retrieval system, I feel that he is particularly well-qualified to speak to our students on this subject.

Further details of the requested presentation are as follows:

Date:	20 January 1966
Time:	1300
Subject:	Data Storage and Retrieval
Place:	Building 196, Washington Navy Yard

Your approval would be greatly appreciated.

Sincerely,

S. R. BROWN, Jr.
Rear Admiral, USN
Naval Command and Control
Systems Executive

Vice Admiral W. F. Raborn, USN (Ret)
